MEMORANDUM OF UNDERSTANDING

BETWEEN

FACULTY OF MEDICINE, CHIANG MAI UNIVERSITY, THAILAND

AND

MEDICAL DECISION SCIENCE ASSOCIATION OF TAIWAN, TAIWAN

Faculty of Medicine, Chiang Mai University, Thailand, and Medical Decision Science Association of Taiwan, Taiwan, conclude this agreement in recognition of mutual benefits arising from the establishment of effective academic relations. The purpose of this agreement is to promote scientific relation through academic cooperation between both parties.

1. Both parties agree to promote and develop this academic cooperation by the following means:
    a. Exchange of staff members, undergraduate and graduate students
    b. Staff development
    c. Visiting professorship
    d. Execution of joint research projects
    e. Provision of lectures and seminars
    f. Exchange of data, documents, research materials and academic information
    g. Other mutually beneficial projects to be defined from time to time

2. Details of implementation and details for staff exchange and academic information are subject to discussion between two parties in any of the aforesaid means with specific cooperation plans.

3. This agreement can be revised or modified within the period of its validity by mutual consent. It can also be terminated within that period by either party with notification of not less than six months before its intention of termination.

4. This agreement shall be valid for a period of five years upon the signature of both sides. The agreement can be extended beyond that period after discussion by representatives of both parties. The discussion can begin anytime before the final six months of the initial period of the agreement.
