MEMORANDUM OF UNDERSTANDING
between
Mongolian National University of Medical Sciences and
Medical Decision Science Association of Taiwan

No. ...

The current Memorandum of Understanding states the joint cooperation agreement between the Mongolian National University of Medical Sciences (hereinafter "MNUMS") as one party and the Medical Decision Science Association of Taiwan (hereinafter "MDSAT" and together with "MNUMS" collectively referred to as the "Parties") as of the other party.

1. The purpose of this MOU is to develop academic and educational cooperation and to promote mutual understanding between the Parties.

2. The Parties agree to develop the following collaborative activities in academic areas of mutual interest on the basis of equality and reciprocity.
   a. Student exchange
   b. Staff exchange
   c. Joint lectures, conferences and symposia
   d. Collaborative research and research projects
   e. Exchange of academic information and relevant materials
   f. Promotion of other academic cooperation as mutually agreed
3. It is understood that the implementation of any of the types of cooperation stated in clause (2) shall depend upon the availability of resources and financial support of the Parties concerned.

4. The terms of specific areas of cooperation shall be further considered and agreed upon in writing in a separate agreement by the Parties prior to the initiation of any particular activity.

5. The Parties agree that this MOU is not a formal legal agreement giving rise to any legal relationship, rights, duties or consequences, but it is only a definite expression and record of the purpose of the parties to which the parties are bound in honour only.

6. This MOU may be amended or modified by a written agreement signed by the representatives of both Parties.

7. This MOU is valid for a period of five years from the date of signing by the representatives of both Parties. This MOU shall be renewed after being reviewed and renegotiated by both Parties.
